

Seneca St. Greenway Connector

Public Meeting Notice

August 5th, 2013
Pierce Arrow Museum
263 Michigan Ave @ 210 Seneca St
Buffalo, NY 14203
5-7 PM - Lite Refreshments

There will be an informal meeting to discuss preliminary plans for the creation of a "Greenway Connector" along Seneca St. between Larkinville and the Central Business District. All interested individuals are welcome to attend.

Through the implementation of improved landscaping, lighting, sidewalk repair, and revised road striping the intention of the proposed Seneca St. Greenway Connector is to enhance the aesthetic environment for existing homeowners and businesses, and to improve the travel experience for vehicular, bicycle and pedestrian traffic between Larkinville and the Central Business District.

We welcome your thoughts and ideas.
